3. As a festival we are against the sale of databases. We guarantee 100x100 that your data will be safe and will only be used for the festival.

As a festival, one of our objectives is to promote artists and we can contact producers or festival directors so that they select you in other festivals or that a producer has a meeting with you. But in no case will we transfer your data to third parties.

4. For promotional purposes, we can use graphic material or images of your project, for a maximum of 1 minute. No commercial purposes, just as a promotion for your project or the festival.

5. You acknowledge that you are the owner of the project and exempt the festival from any violation of rights.

6. The festival can reschedule the notification dates, festival dates or eliminate categories if the necessary level is not reached.

7. You agree to have the link of your project updated, if you do not have it updated, the project will be disqualified. We always try to notify each filmmaker if that happens but there are times when we organize reviews with the jury and it does not allow us to notify in advance, so we always recommend that you have the updated links.

8. The festival does not pay a screening fee. At the live festival we screen the winner of Best Trailer, Best Music Video and Best Short Film.

9. No fee waiver. All entry fees are non-refundable.

10. Register a project implies acceptance of these rules.
